INFORMATIVE

SCL-STA-20210308-00015

GU Holdings Inc.

We grant the request for special temporary authority (STA) filed on March 8, 2021, by GU Holdings Inc. (GU Holdings) to allow the continued commercial operation of the portion of the Pacific Light Cable Network (PLCN) connecting the United States and Taiwan while the Commission considers the application for a cable landing license for the cable, SCL-LIC-20200827-00038. On April 8, 2020, the Commission granted GU Holdings an STA to operate the PLCN cable system on a commercial basis between the United States and Taiwan, conditioned on GU Holdings abiding by the commitments and undertakings contained in the April 7, 2020 Provisional National Security Agreement for an STA between GU Holdings, and the Department of Justice, the Department of Homeland Security and the Department of Defense (April 7, 2020 Provisional NSA), SCL-STA-20200402-00015. On September 22, 2020, the Commission granted an extension of that special temporary authority conditioned on GU Holdings abiding by the commitments and undertakings April 7, 2020 Provisional NSA and the September 18, 2020 Extension of Provisional National Security Agreement for Requested Special Temporary Authority. See SCL-STA-20200827-00037. GU Holdings seeks the same special temporary authority that the Commission granted on September 22, 2020.

We grant the Petition to Adopt Conditions for Special Temporary Authority (Petition) filed in this proceeding on March 19, 2021, by the Department of Justice, with the concurrence of the Department of Defense and the Department of Homeland Security. Accordingly, we condition grant of the STA on GU Holdings abiding by the commitments and undertakings in the April 7, 2020 Provisional NSA and the March 18, 2021 Second Extension of the Provisional National Security Agreement for Requested Special Temporary Authority (Second Extension of the Provisional NSA). A failure to comply and/or remain in compliance with any of these commitments and undertakings shall constitute a failure to meet a condition of the STA and grounds for declaring the STA terminated without further action on the part of the Commission. Failure to meet a condition of the STA may also result in monetary sanctions or other enforcement action by the Commission. A copy of the Petition, the April 7, 2020 Provisional NSA, and the Second Extension of the Provisional NSA may be viewed on the FCC website through the International Bureau Filing System (IBFS) by searching for SCL-STA-20210308-00015 and accessing "Other filings related to this application" from the Document Viewing area.

GU Holdings acknowledges that grant of the STA will not prejudice action by the Commission on the underlying application and that the STA is subject to cancellation or modification upon notice without a hearing. The STA expires on September 15, 2021.
